BLUEWATER
SPORTFISHING BOATS, INC.

Bluewater 2850

Bluewater's 2850 Center Console is built strong for those who know the sea. At 31' overall, the 2850 thrives offshore and features a wide 9' 5" beam that makes her an exceptionally stable fishing platform even in the roughest conditions.

Innovative weight distribution permits the console to be farther forward than most other center console designs, for the biggest fishing cockpit you'll find among boats of similar length. With a 24-degree deep vee hull, reverse chines, the safety of high gunwales and Bluewater's famously flat, smooth ride in all conditions, the 2850 will get you to the farthest fishing grounds and back quickly and comfortably.

Along with great passenger and storage capacity, this boat is packed with all the features you're looking for in a serious offshore fishing machine, including easy cleanup when you get home. Bluewater also gives you the most options for customizing your boat to meet your exact requirements.

For fishing, diving or just cruising with the family, think of the 2850 as your first-class ticket to fun on the water.

Specs

LOA (including bracket)31' 0"
LOD28' 6"
Beam9' 5"
Draft (hull only)20"
Deadrise (degrees)24
Dry Weight (pounds) (without engines)4260
Maximum HP Rating600
Fuel Capacity (gallons)245
Optional Fuel Cap (gallons)340
Water Capacity (optional) (gallons)30

Special Features
