

46 **Chinook**

Windy
Soleil by Scandinavia

Spirit of Scandinavia recognized worldwide

PRECISION ENGINEERED,
HAND FINISHED

Windy's reputation is built on quality and craftsmanship. Our award-winning deep v-hulls are renowned for delivering an exhilarating, yet stable and dry ride. Our production facilities in Västervik and Ostroda are among the most advanced in Europe, employing resin transfer moulding to produce stronger, lighter, more fuel-efficient hulls. Distinctive interiors by leading superyacht designers combine clean Scandinavian lines with luxurious detailing. And every boat is hand-finished with Windy's customary perfectionism using the highest quality components and finest materials. For Windy customers, only the best will do.

46 **Chinook**

Widely acclaimed as the best sport cruiser of her size, the 46 Chinook builds on a winning mix of excellent family accommodation and unbeatable handling and performance. Like her predecessors, the 44 and 45, she is a true offshore performance yacht designed for those who dream of venturing further afield in luxury and comfort. With a sleek hardtop and extended sun roof as standard, the 46 is well suited to hot or cooler climates. Her large sociable cockpit has plenty of space to relax or entertain, and feels safe and secure under way, even in more challenging conditions.

All our models are hand-built by skilled craftsmen. The fine woodwork and exclusive textiles are important distinguishing features of a WINDY.

Pride in craftsmanship is something that has been handed down through centuries of Norwegian boat building. Today we are honoring these traditions and our heritage from locations outside Norway, yet in areas with long maritime history and proficient craftsmen.

Available with a choice of Volvo Penta sterndrive or IPS engines and standard Humphree interceptors the 46 offers some of the best economy figures in her class, combined with a top speed of 40 knots. She also comes with a much expanded options list including a longer hydraulic platform and retractable letterbox gangway.

Windy

Raymarine

Down below, this family-friendly cruiser unusually offers three spacious cabins and two ensuite shower compartments. The superyacht standard interiors are by renowned designer, Peder Eidsgaard, and feature plenty of natural light and panoramic windows in the saloon.

Berths	6 persons
CE Classification	B
Exterior design and styling	WINDY
Interior design	WINDY
Naval Architect	Hans Jørgen Johnsen

FIRST FOR QUALITY

When Windy Boats was established in 1966 our first sport boats set new standards for performance and craftsmanship. 50 years on, we're still driven by the urge to be the best. All Windy Boats bear the hallmark of quality without compromise, drawing on five decades of boatbuilding excellence, and centuries of Scandinavian seafaring heritage. Put simply, we build better boats because we're Windy. It's in our DNA.

Windy Boats pursues a policy of continuous product innovation and enhancement. Everything presented in this brochure is subject to change without prior notice. This brochure must therefore be taken only as non-binding guidelines from Windy Boats • The images shown in this brochure do not necessarily show standard boats and cannot therefore be used as references for the standard specification for each individual model • All boats manufactured by Windy Boats are approved for specific categories by RINA and are CE-labelled • Every attempt is made to ensure that all information in this brochure is as accurate as possible, but it is important to note that a boat's performance and test data are given only as guidance • Fouling of the hull and stern gear, by for example marine growth and mud, propeller damage, engine set-up, engine manufacture and type, air and water temperatures, the weight of fuel, water, stowage and the number of persons on board may all affect the boats' performance and test data. For these and other reasons, Windy Boats is unable to provide any guarantee of test data and boat performance • Graphic design: Jan Peter Lehne • Printed by Tellogruppen • Exterior and interior photos: JP Lehne • Windy Boats reserves all rights in this brochure.
